## WHAT YOU NEED TO KNOW BEFORE YOUR 1ST APPOINTMENT

These protocols are constantly changing, and we are trying to be fully transparent.

With that said, here are the protocols to date.

- **NO WALK INS**
  - All services will be by appointment only. Now walk-ins at this time.
  - Unfortunately, our waiting room area will be unavailable.
- **HEALTH QUESTIONNAIRE/COVID 19 SCREENER**
  - On the day of your appointment, we will send you our health screener electronically via text to your phone for you to fill out. (Or we can offer you a paper version at the door as well).
  - **Please know: if you answer YES to any of the questions, we will not be able to perform your service (see full cancelation policy).**
- **TEXT US**
  - Please text us at 973-762-1212 when you arrive for your appointment. We will let you know when to enter the salon and which door to enter through.
- **JUST YOU**
  - Unfortunately, no one can accompany you to your appointment. As we are limited to the number of total people in the salon at one time. If you have an aid or require an additional person - please let us know well in advance.
- **TEMPERATURES**
  - A staff member will greet you at the door and take your Temperature with a Touchless Thermometer. **Please know anyone with a reading of 100.4 degrees or above, will not be allowed to enter the premises (see full cancelation policy).**
- **MASKS REQUIRED**
  - Masks must always be worn.
  - Masks must wrap behind your ears and not tie behind your head, as these types of masks will not allow us access to your hair.
  - Disposable Masks will be available for purchase.
- **BEVERAGES, SNACKS, MAGAZINES**
  - Unfortunately, we will not be offering these things at this time to reduce risk.
- **TOUCHLESS PAY**
  - We have Apple Pay for seamless checkout, along with taking all major credit cards
  - Venmo is available to tip your service provider
- **DON'T BRING MUCH**
  - We ask that you limit the items you carry into the salon to just your wallet, phone and keys.
- **LIMITING THE NUMBER OF PEOPLE WHO TOUCH YOU**
  - Only your service provider will be working on you during this time.
  - All apprentices will be used for sanitation purposes.
  - Your service provider will aid you in purchasing any retail you may need. As we are limiting the number of people who touch the retail area.
  - Check out & rebooking will all be done through your service provider in coordination with our front desk
- **COLOR APPOINTMENTS**
  - Extra color may be required to complete your service, resulting in an additional charge.

## WHAT WE ARE DOING TO KEEP YOU AND OUR STAFF SAFE:

- **SOCIAL DISTANCING**
  - We will be limiting the capacity in the salon based on NJ State Guidelines and will be ensuring 6 feet social distancing.
- **AIR PURIFICATION / SANITATION**
  - The salon is now equipped with two air purification systems that have been installed into each of our HVAC systems that kill up to 99% of bacteria, mold and viruses.
  - We have invested in an Industrial Ozone Air Purification machine that will run during off hours to further purify the air and aid in removing odors and toxins.
  - We have also invested in Electrostatic Disinfection: It is a spray that is electrically charged, allowing disinfectants to wrap around and evenly coat all types of surfaces for a more complete clean and will be used according to recommended guidelines.
  - As always, every station, every surface and every piece of equipment will be wiped down and disinfected between guests. In addition, we will be thoroughly cleaning all doorknobs, countertops, common spaces throughout the salon in this process. Please understand this may result in a bit of a delay between appointments but we feel strongly this is a necessary and important step to ensure proper sterilization.
- **CLEAR GUARD DIVIDERS**
  - We have installed clear guard dividers at our front desk and in between our shampoo bowls to allow for further distancing.
- **SANITATION STATIONS**
  - We are creating two sanitation stations at both entrances of our salon (front and back), equipped with the following for your use:
    - disposable masks, gloves, tissues and hand sanitizer
  - We also have placed hand sanitizers throughout the salon and have plenty in stock

## NEED TO SPEAK WITH OUR MANAGEMENT TEAM?

- Call, text or leave a voicemail: 973-762-1212
- Send us an email to [info@garubosalon.com](mailto:info@garubosalon.com)

Someone will get back to you as soon as we can.
